LOWER HALL CHAIRLIFT

The lower hall chairlift was damaged beyond repair, this past summer. Attempts to repair the device failed, due to the age of the device and lack of replacement parts.

For safety and legal reasons, the hall will be closed from now until the new lift is installed and approved for use.

A new lift is going to be installed as soon as possible. **The estimated total cost is \$52,000. If all goes well, the new lift will be in place mid-January 2027, and parish social events will resume.**
