A devastating series of earthquakes struck north-central Venezuela on June 24, 2026, making it the country's largest seismic disaster in more than a century. Two powerful earthquakes—a magnitude of 7.2 followed just 39 seconds later with a magnitude of 7.5 near Yumare/San Felipe in Yaracuy State, caused catastrophic damage across much of the country. **The Archdiocese of Toronto** will accept donations and channel funds through our Catholic partners in South America to support relief efforts underway.

Those wishing to help may do so in the following ways: • **Online through the Archdiocese of Toronto website – www.archtoronto.org** • **By phone through the Donations Processing Centre – 437.529.1287** Please continue to pray for all those affected by this tragic situation.

Thank you for your continued co-operation.
